

Notes on the Exclusion of Japanese Children from Public Schools.
 Dept. 6.

 Japanese Embassy.
 Notes on the exclusion of Japanese children from the Public Schools of San Francisco. States that on the 11th inst. the Board of Education of San Francisco passed a resolution excluding children of Asiatic origin from all public schools of that city, restricting their attendance to a so-called "Oriental School". Quotes Sec. 1662 of the Political Code of California upon which said Board based its action. Calls attention to the injustice, inconvenience and racial stigma which involves. Gives substance of correspondence between the Japanese Consul and the Board of Education and the Mayor of San Francisco in the matter and the apparent lack of results to date. The Consul has also addressed a note to the Governor, communicating to him the facts of the case and urging the necessity of immediate remedial action.

San Francisco, Oct. 26.--Judge Wolberten of the United States Circuit Court yesterday issued an order to the board of education of San Francisco citing that body to show cause why an injunction compelling the reinstatement of I. Yasuhara, a Japanese pupil recently excluded from the Pacific Heights Grammar School should not be issued. The board is ordered to answer on Nov. 5th.

This order was issued following an application for an injunction present to Judge Wolberten with the intention of making this a test case. The application for the injunction is made on the grounds that the present resolution of the board of education excluding Japanese pupils from the city schools is in violation of the constitution of the United States and also in violation of a treaty now existing between the United States and the Empire of Japan.

A mass meeting held here by the Japanese last evening discussed the present situation regarding these children's exclusion.
