GEORGE GRANTHAM BAIN,

15 PARK ROW - - NEW YORK

Telephone 90 Cortlandt.

Address reply to New York Office

Dear Mr. Root :

I send you herewith photographs illustrating the presence of Chinese and Japanese in the schools of New York. It occurred to me that it might interest you to send these to Mrs. Wright to show the Japanese Government. Or possibly their publication in Caserio "Consular Reports" would serve the same purpose - show that the San Francisco discrimination is fully local.

Yours very truly,
Prof. William Baird
