Honored Sir

I trust I am not intruding in writing you on a subject which I know will interest you. So few eastern people seem to realize the source of our trouble with the Japs & Chinamen. I have studied the situation from all sides with this conclusion.

1st De Young of the San Francisco Chronicle has always sought political honors and will do most anything to gratify his ambition. He antagonizes the Japs & Chinamen to gratify the whim of a lot of labor agitators and political grafters. De Young the Jew is hand & foot with Ruff the Jew. De Young is worth several millions and where did he get it, if not by blackmail and graft. They say the \$50,000 residence he lives in was secured by blackmailing Crocker of the Southern Pacific R.R. How much his paper has secured from
