

3 W. 6402

November 6th

1916

Dear Sir,
11/7/16 State

Appropos of your
note to Colonel Mosby,
(which he kindly communicated
to me,) I venture to submit
the following propositions
to his Excellency The President.

And if nevertheless it
proceeds to hostilities
against the United States, they
will stand justified before
the world.

Very Respectfully
Roger A. Brown.
