

Enclosure with Mr Wright's No. 104 of Nov. 24, 1906.

Translator's note.

The "Tokyo Mainichi Shinbun", from which the first extract is translated, is the same paper that published the inflammatory article, entitled "Stand Up, Japanese Nation", which was transmitted with Mr. Wright's No. 90 of October 31. The present editorial is from the pen of the editor-in-chief, Mr. Shimada Saburo, M.P., and is a tacit disavowal of the previous article.
