

UNITED STATES SENATE
COMMITTEE ON THE PHILIPPINES

Copy sent Mr. Hale Mar 20/07
ASSISTANT SECRETARY

MAR 25 1907

Personal.

Secretary of State,

March 13, 1907. MAR 27 1907

My dear Mr. Hale:-

The letter of Dr. Harris is a most interesting one. I remember meeting him when he was here and I have no doubt he is correct in regard to the feelings of the ministers. I should hesitate about printing it without the approval of the Administration and I should think it would be a good thing if you could show it to the President or send him a typewritten copy, and ask his opinion in regard to it.

Very truly yours,

H. C. Lodge
