RECEIVED

Hon. Elihu Root,
Secretary of State.

My dear Mr. Secretary:

I enclose herewith a statement of the evidence secured by United States Attorney Devlin, of San Francisco, on the subject of the attacks on Japanese restaurants, which Mr. Devlin was directed to furnish some time since. In his letter transmitting this paper, Mr. Devlin states that he is forwarding certain copies of correspondence he has had with various persons in San Francisco. These copies have not yet come to hand, but will be sent to you as soon as they are received.

Very truly yours,
