G-W.

June 25, 1907.

The Honorable,

The Secretary of State.

My dear Mr. Secretary:

I enclose herewith correspondence just received from United States Attorney Devlin at San Francisco, with reference to the Japanese restaurant cases, and which is forwarded for your information. As these papers are a part of the files of the Department of Justice, I would be glad if you would return them when you have no further use for them.

Very respectfully,

M. C. Bundy
Acting Attorney General.
