August 26, 1907.

My dear Mr. Ambassador:

The promemoria in regard to certain matters at San Francisco, which your Excellency was good enough to leave in my hands some days ago, was laid before the Secretary of State, who now asks me to say to Your Excellency that he will look forward to talking the matter over with you when he may have the pleasure of seeing you upon his return to Washington.

Pray accept my compliments and believe me,
my dear Mr. Ambassador,

Yours sincerely,

ALVEY A. ADAMS,

To His Excellency,

The Viscount Aoki,

etc., etc., etc.,

Imperial Japanese Embassy.
