

DEPARTMENT OF STATE.

Second Assistant Secretary's Room.

MEMORANDUM. Sept 21. 07
12³⁰ p.m.

Dear Mr. Secretary

The Japanese Charge has just left this morn. with me. He called my attention to the passage I have underscored and asked if the District Attorney had any instructions. I told him the various branches of the Govt., including the Dept of Justice, were using all proper influence toward a satisfactory outcome.

I think Miyakawa expects that we should instruct the Dist Atty what to say to the Frisco School Board.
