

July 21, 1907.

My dear Mr. Loeb:

I was much gratified to learn by your letter of the 12th instant that those memoranda regarding Japanese affairs had been of interest to the President. On the 15th I informed Mr. Root of what you had said, in order that he might be advised of the President's views as to the question of getting in touch with the New York Chamber of Commerce in respect to their reply to any representation from the Japanese Chambers of Commerce.

Yours sincerely,

The Honorable William Loeb, Jr.,
Secretary to the President,
Oyster Bay, New York.
