Dear Sir:-

You have possibly seen the Missionary Resolutions about Japan and the United States of America which were prepared several months ago and signed by 116 American missionaries residing in different parts of Japan. These have now been printed and put into permanent form and I have been requested by the person having the matter in charge to furnish you with a copy. I have therefore the honor to hand you herewith two copies of these Resolutions.

Assuring you of our desire and determination to do everything possible to maintain cordial relations between Japan and our country and to cooperate with you to this end, I am

Yours very sincerely,
