DEPT. OF STATE

Office of the Attorney General
Washington, D. C.

The Honorable,

The Secretary of State.

Sir:

I have the honor to enclose herewith self-explanatory correspondence from the United States Attorney, at San Francisco, relative to the damage done to the property of the Japanese residents of that city.

Will you not be good enough to return the papers to this Department when you have finished your use of them?

Very respectfully,

Charles Bonaparte
Attorney General.
